

## MORDEN JOINERY DETAIL

DO NOT SCALE OFF DRAWING

Construct frames from 150x50 k.d.hwd with merbau bottom plates to full length frames. 250mm kickplates, where indicated, to be rebated for glass. Plant-on stops elsewhere.

All frames with raking heads to be provided with loose heads and mullions cut 100mm longer than indicated. Make final adjustments on site.

Assume 5° pitch as rise of 25mm in 300mm.

7 1/2°	37
10°	50
12 1/2°	63mm in 300mm.

Clerestory frames to be constructed on site

amended July 2nd. 1981.
